G Suite

Welcome to G Suite for Education

Get started with free web-based email, calendar & documents for collaborative study anytime, anywhere.

G Suite for Education is a cloud-based productivity suite that helps teachers and students connect and work from anywhere, on any device. It's simple to set up, use, and manage, allowing you to work smarter and focus on what really matters.

For more information about our privacy practices, you can refer to the G Suite for Education Privacy Notice and the Google Privacy Policy that you reviewed and agreed to when you provided consent for students to use the G Suite for Education Core Services. You can also review our Privacy and Security site, for answers to frequently asked questions.
